

HELP US CELEBRATE 22 YEARS OF SUPPORT AND AWARENESS

BUDS will be hosting our 22nd Annual Walk on Saturday, September 21, 2024 at Columbia Elementary School, 667 Balch Rd, Madison, AL 35758. The goal of the Buddy Walk is to promote Down syndrome awareness. The funds we raise allow us to continue our efforts to support and educate families of our North Alabama community. You can visit our website at www.budsonline.org to learn more about our organization.

The walk was started by the National Down Syndrome Society in 1995 and has grown from 17 walks to now over 300 walks across the globe. Since the Buddy Walk was created, over 2 million people have participated in a Buddy Walk worldwide. Last year we had approximately 600 people take part in our local advocacy walk. As we continue to recover from the COVID-19 Pandemic *the need for your support is greater than ever!*

We are inquiring to see if your company is interested in supporting this year's event. Your contribution will help raise dollars to support our local programs and help all people with Down syndrome take steps for a brighter tomorrow!
